Road in Bad Condition. To the Editor of the Dispatch :

Will you please call the attention of the supervisor of Tuckahoe township to the very bad condition of the Cary-Street road. Owing to the hauling of brick and wood to the city in carts the roadway, which was well gravelled, is now much cut up and the deep holes will make it impassable when fall and winter rains set in. It would now be an easy matter to fill these holes with gravel and save much annoyance and expense later
